

§ 390.109

49 CFR Ch. III (10–1–13 Edition)

of this section and, if applicable, paragraph (b) of this section to FMCSA and agreed to future reviews by FMCSA to ensure compliance with the criteria listed in this section.

(d) The testing organization administers only the currently authorized version of the medical examiner certification test developed and furnished by FMCSA.

[77 FR 24127, Apr. 20, 2012, as amended at 78 FR 58483, Sept. 24, 2013]

§ 390.109 Issuance of the FMCSA medical examiner certification credential.

Upon compliance with the requirements of § 390.103(a) or (b), FMCSA will issue to a medical examiner applicant an FMCSA medical examiner certification credential with a unique National Registry Number and will add the medical examiner's name to the National Registry of Certified Medical Examiners. The certification credential will expire 10 years after the date of its issuance.

§ 390.111 Requirements for continued listing on the National Registry of Certified Medical Examiners.

(a) To continue to be listed on the National Registry of Certified Medical Examiners, each medical examiner must:

(1) Continue to meet the requirements of this subpart and the applicable requirements of part 391 of this chapter.

(2) Report to FMCSA any changes in the application information submitted under § 390.103(a)(3) within 30 days of the change.

(3) Continue to be licensed, certified, or registered, and authorized to perform physical examinations, in accordance with the applicable laws and regulations of each State in which the medical examiner performs examinations.

(4) Maintain documentation of State licensure, registration, or certification to perform physical examinations for each State in which the examiner performs examinations and maintain documentation of and completion of all training required by this section and § 390.105. The medical examiner must make this documentation available to an authorized representative of FMCSA

or an authorized representative of Federal, State, or local government. The medical examiner must provide this documentation within 48 hours of the request for investigations and within 10 days of the request for regular audits of eligibility.

(5) Maintain medical examiner certification by completing training and testing according to the following schedule:

(i) No sooner than 4 years and no later than 5 years after the date of issuance of the medical examiner certification credential, complete periodic training as specified by FMCSA.

(ii) No sooner than 9 years and no later than 10 years after the date of issuance of the medical examiner certification credential:

(A) Complete periodic training as specified by FMCSA; and

(B) Pass the test required by § 390.103(a)(3).

(b) FMCSA will issue a new medical examiner certification credential valid for 10 years to a medical examiner who complies with paragraphs (a)(1) through (4) of this section and who successfully completes the training and testing as required by paragraphs (a)(5)(i) and (ii) of this section.

§ 390.113 Reasons for removal from the National Registry of Certified Medical Examiners.

FMCSA may remove a medical examiner from the National Registry of Certified Medical Examiners when a medical examiner fails to meet or maintain the qualifications established by this subpart, the requirements of other regulations applicable to the medical examiner, or otherwise does not meet the requirements of 49 U.S.C. 31149. The reasons for removal may include, but are not limited to:

(a) The medical examiner fails to comply with the requirements for continued listing on the National Registry of Certified Medical Examiners, as described in § 390.111.

(b) FMCSA finds that there are errors, omissions, or other indications of improper certification by the medical examiner of an operator in either the completed Medical Examination Reports or the medical examiner's certificates.
